THE GRAND JURY CHARGES:

At all times relevant to this indictment:

1. The Bald and Golden Eagle Protection Act was enacted in 1940 to protect the bald eagle, recognizing that the bald eagle is not merely a bird of biological interest, but this country's national symbol, which reflects America's ideals of freedom. In 1962, Congress extended the Act to also protect golden eagles.
2. During the investigation law enforcement uncovered messages from BRANSON and others describing the illegal taking of eagles by stating, "[O]ut [here] committing felonies," and telling buyers he was "on a killing spree" to obtain eagle tail feathers for future sales.
3. PAUL, BRANSON, and others, hunted and killed eagles on the Flathead Indian Reservation and elsewhere. In total, the defendants killed approximately 3,600 birds, including eagles. The defendants then illegally sold the eagles on the black market for significant sums of cash across the United States and elsewhere.

COUNT 1

Between, on, or about January 2015, until on or about March 2021, near Ronan, in Lake County, in the State and District of Montana, within the exterior boundaries of the Flathead Indian Reservation, and elsewhere, the defendants, SIMON PAUL and TRAVIS JOHN BRANSON, knowingly and willfully conspired and agreed with each other, and with persons both known and unknown to the Grand Jury, to commit any offense against the United States, that is, to illegally kill, transport, offer for sale, and sell bald and golden eagles, in violation of 16 U.S.C. §§ 668(a) and 3372(a)(1) and 3373(d)(1)(B).

In furtherance of the conspiracy, the defendants committed the following overt acts:

OVERT ACTS

1. From January 2019 until March 2021, TRAVIS JOHN BRANSON travelled from Washington to the Flathead Indian Reservation to shoot bald and golden eagles.

2. From January 2019 until March 2021, SIMON PAUL lived near Ronan on the Flathead Indian Reservation, and he was a “shooter” and “shipper” of bald and golden eagles for TRAVIS JOHN BRANSON. When BRANSON arrived on the Flathead Indian Reservation, PAUL would meet and help kill, transport, and ship bald and golden eagles for future sales on the black market.

3. On December 17, 2020, TRAVIS JOHN BRANSON sent a text message to a purchaser with a photo of a golden eagle tail set. On the same date, BRANSON received a PayPal purchase for the golden eagle tail set.

4. Two days later, on December 19, 2020, SIMON PAUL mailed from St. Ignatius to Texas the golden eagle tail feather set.

5. On December 21, 2020, BRANSON received a message from a purchaser that said, "Got that thang from Simon. And the mirror feathers. Tnks."

6. On March 13, 2021, TRAVIS JOHN BRANSON and SIMON PAUL returned to a previously killed deer to lure in eagles.

7. On March 13, 2021, TRAVIS JOHN BRANSON shot and killed a golden eagle.

8. On March 13, 2021, SIMON PAUL cleaned the golden eagle.

9. On March 13, 2021, TRAVIS JOHN BRANSON and SIMON PAUL placed various golden eagle parts in the vehicle for transport.
